## TMP1700/420E with Electric Marking Pin & Autosense Technology for Consistent Marking

**Based on TELESIS' field-proven TMP1700/420 platform — no air supply required**

### Featured benefits:

- Fully electric design — **no air supply required**
- "Autosense" optical sensor design ensures **consistent pin stroke** and repeatable 2-D code cell size — when combined with optional Z-axis mounting post (P/N 42382) and Dual Driver Kit (P/N 40004)
- Provides a generous 38 x 63mm (1.5" x 2.5") marking window
- Utilizes self-contained TMC420 controller — **no PC required**
- Flexible system marks a wide range of materials from soft plastics to hardened steel (up to Rc60)
- Full 2-D code marking capability
